

EC GROW

ICE MELT

A PARTNER YOU CAN DEPEND ON

When battling the toughest ice, KNOCK OUT delivers the final punch needed to bore through stubborn areas and continues to work when other deicers throw in the towel.

- **Dynamic green color to show treated area**
- **Fast acting**
- **Easy to spread**
- **Melts to -18°F**

Introducing

STRIKE
Ice Melt Energizer

EC Grow is committed to providing quality products that outperform the competition. Our next generation ice melt brining enhancer is a sustainable, organic-based additive which provides quick deicing performance and long-lasting results.
